Introduction

Kinross Charter Township, a municipality nearly 30 miles long and only four miles wide over the majority of its length, is centrally located in Chippewa County in Michigan's Upper Peninsula and consists largely of a small urban community of Kinross surrounded by approximately 120 square miles of open space. The State Legislature created the governmental entity of Kinross Township in 1899.

Lakeview Cemetery is located on Lakeview Road in Kinross, Michigan. Currently, there is a white vinyl fence along the road that needs to be replaced. Length of current fencing is 683ft, with total fence distance, including openings, is 885ft. The type of fence we are looking for is a black chain-link style fence, approximately 48" in height. Other options can be considered.
